VACANCY: INVESTMENT CONSULTANT

Are you a highly analytical investment professional with a passion for financial markets and client advisory services? We are looking for an experienced **Investment Consultant** to join our growing team and contribute to delivering high-quality investment advice and solutions to institutional clients

KEY RESPONSIBILITIES

- Monitor Investment performance and conduct benchmarking and attribution analysis.
- Conduct market research, perform data analysis and comparative assessment.
- Provide recommendations in standard and ad-hoc reports by using in-house templates.
- Develop strong relationship with clients, investment managers, custodians and administrators.
- Support the development of investment recommendations and client deliverables.
- Ensure compliance with quality standards, data protection & audit trail requirements and AML/CFT procedures.

Interested candidates are invited to submit their CV and cover letter to careers@actuarix.mu by latest 26th June 2026

QUALIFICATIONS

Academic Background

- At least a bachelor's degree in finance, Accounting, Mathematics, Actuarial Studies, Business, Economics, or related field.
- CFA Charterholder or completed at least Level 2 of the CFA Program

Knowledge & Experience

- Minimum of 5 years' preparing investment recommendation reports for institutional clients.
- Strong quantitative and analytical problem-solving skills.
- Good knowledge of investments, financial markets, pension schemes, and the relevant legal and regulatory environment.
- Excellent written, verbal and presentation skills, with the ability to engage confidently with various stakeholders.
- Strong client-service orientation and excellent time management skills.
- Proactive mindset with collaboration team approach.
- High levels of drive, integrity, ethics, enthusiasm, resilience, and the ability to perform under pressure.
